

Emergency Situation in Paterson, NJ

GCM was asked to help a homeless cat/kitten colony and we immediately started trapping and getting medical attention for these creatures. We are networking with others, but desperately need your support. Please donate so we can Nugget (pictured above) and other creatures.

Teaching and Practicing Compassion for Animals

Deer in New Jersey- act/call NOW!

White tailed deer are one of the most gentle and beautiful species on earth. For over a century, New Jersey has "managed" the deer population through brutal killing of deer by bow hunts and firearms. Now anti-wildlife legislators are working to expand the slaughter of deer and many more species of wildlife by the most egregious means through the bill, S335. Those who are willing to help defeat this bill should contact their members of the State Senate and express their strong opposition to this bill There are many states/towns who have had success with nonlethal methods of wildlife population management, and these must be pursued first.

"Only when we have become nonviolent to all life, will we have learned to live well ourselves." Cesar Chavez

Member Spotlight Bill Allen

God's Creatures Ministry has always advocated for a vegan lifestyle. It is in total compliance with our mission to promote compassion for all animals.

One of GCM's supporters, Bill Allen, has committed himself to spreading the word that veganism is the healthiest and most compassionate way to live. He is 86 years old and has been vegan for 50 years, after waking up one morning and stating, "I can't eat animals anymore". He says that it's the best thing that he's done with his life and feels good saving approximately 100 animals a year.

Bill is often seen wearing his "Go Vegan" attire and receives many remarks from those he meets. He carries literature with him and often starts a conversation that educates others about the benefits of a vegan lifestyle. Using his own funds he sends literature to churches and residents throughout the state advocating for compassion towards animals.

He is a frequent patron of Veggie Heaven in Montclair, NJ, where he is pictured with the managers, Dave and Cliff.

**Outreach Event August 26 & 27
Shop Rite of Lincoln Park, NJ**

This is a great way to spread our compassion for animals and to raise funds to help local animals. Your help is needed for this fun event.

For more info and/or to volunteer:
Email info@godscreaturesministry.org

Coming in our August newsletter:
***Stroll for the Strays
Jewelry Fundraiser***

Please share this newsletter with family & friends.

Your support lets us continue helping animals.
We love and thank you!
