GOD'S CREATURES MINISTRY

Teaching and Practicing Compassion For Animals

Newsletter 2017

God's Creatures Ministry is committed to spreading God's compassion to all animals. God created us to have a plant based diet and commissioned us to protect His animals. Animals have the right to live as they were created to live. We look forward to that day when all of creation will be 'set free from slavery to corruption and share in the glorious freedom of the children of God' (Romans 8:21).

We are also a charity helping people with their pets and stray cats with veterinary bills and food. We have helped many people and animals in the USA and locally including stray cats!

We hope that every town and church will have a program to help manage the breeding of stray cats. Some counties have free neutering for their residents. Trapping, neutering and releasing (TNR) is a common sense way to help all stray cats as long as people will feed them and provide a shelter. Many stray cats also make wonderful pets.

We're grateful to the Maddie's Fund for the children's books teaching empathy and kindness to animals!
