GOD'S CREATURES MINISTRY

Teaching and Practicing Compassion for Animals

When This is Over

When this all ends, may we find that we have become more like the people we wanted to be, were called to be, hoped to be. And stay that way, better for all, because of the worst. Laura Kelly Fanucci

Local Animals Need Your Help!

God's Creatures Ministry has been getting more requests for help daily. During this COVID-19 pandemic, the dramatic loss of jobs and income has increased peoples' need for assistance both with veterinary bills as well as dog/cat food and supplies. There are also many cats needing new homes due to tragic deaths of their caretakers. We always help as much as we can. Our two spring fundraisers; the Spring for Life Dinner and Outreach at Shop Rite have been cancelled, so please give generously.

The Meat Industry: Dishonoring All God's Creation

The Coronavirus pandemic has been traced to live animal markets in China, which satisfy human's desire to eat meat and some illegal/exotic wildlife.

Now more attention has been brought to slaughterhouses and meat processing/packaging plants where coronavirus outbreaks virus have infected thousands and forced over 100 closures.

Millions of pigs, chickens and other animals will be killed-and dumped in mass graves because of these closures.

Many meat industry employees are now fearful for their health, for their families, and for their livelihoods, yet being forced to return to work.

The plant-based diet is the best way to create a healthier and humane world for all of God's Creation, human, animal and natural.

animals of those who have died during the coronavirus and the importance of planning for the future.

Numbers 11:3-34 - some interpret this bible passage as a warning against humans gluttonous greed for meat.
