**God's Creatures Ministry is thankful for... Coalition for Animals - Evolve to Non-Violence**

CFA was founded in 1994 and is a non-profit parent organization which offers opportunities for other animal welfare and rescue organizations in New Jersey to obtain their 501-C-3 nonprofit designation from the IRS. Currently there are 18 animal rescue/welfare organizations, including GCM, (member since 2002), operating under the umbrella of Coalition for Animals. Through meetings and events, these groups are able to support and help each other in their missions and goals of helping animals. Another pursuit is humane education in order to inspire the next generation of animal rescuers and activists. CFA is currently fundraising to self-publish a children's book of true rescue stories. Rose-Reina-Rosenbaum has been President of CFA since 2000. [CFA website](#)

## Thankful for Your Support

Thank you for continuing to support our work through your donations. Pictured here is Phil, a happy 6 year old cat of a recently deceased GCM member, who is now in a foster home. He has been given medical attention, been neutered, and has tested positive for feline AIDS. He is extremely affectionate and can be adopted to a new home.
